## EXPERIENCE

**Bank Respublika- QA Tester**

**Oct 2024 - Present**

- Performed functional and non-functional testing of mobile application (manual).
- Created test scenarios and test plans, documented test results.
- Conducted UI/UX testing, analyzed user experience, and provided feedback.
- Performed API testing using Postman and other testing tools.
- Executed Regression, Smoke, Integration, and UAT tests to ensure application stability.
- Worked with test management tools such as Jira, TestRail, and others.
- Conducted tests on different devices and operating systems (Android, iOS).
- Closely collaborated with developers and Product Owner to document and track bugs found during sprints.

**Bank Respublika- Scrum Master**

**Dec 2023 - Oct 2024**

- Collaborated with a newly-formed Scrum team to establish effective workflows and processes, promoting alignment, transparency, and continuous improvement. Supported the team in understanding and adopting Agile practices, building a foundation for sustainable success.
- Implemented core Scrum practices such as sprint planning, daily stand-ups, retrospectives, and backlog refinement. This resulted in measurable improvements in the team's productivity, delivery speed, and the quality of outputs.
- Provided hands-on coaching and mentorship to the team and stakeholders, cultivating a culture of collaboration, accountability, and adaptability. Ensured alignment with Agile values, focusing on delivering maximum value to customers.
