ARAZ ISRAYILOV

PROFESSIONAL SUMMARY

Experienced and detail-oriented professional welder with 16 years of experience in various welding techniques including MIG, TIG, and Stick welding. Skilled in reading blueprints, fabricating parts, and adhering to safety standards. Proven ability to work with different types of metals, conduct repairs, and maintain welding equipment.

SKILLS

Technical Welding Skills: MIG (Metal Inert Gas) Welding, Stick Welding (SMAW), Pipe Welding and Fitting, Aluminum and Stainless Steel Welding, Structural Steel Welding, and Sheet Metal Fabrication.

Metal Fabrication and Repairs: Metal Forming and Shaping, Precision Cutting and Drilling, Metal Polishing and Grinding, Weld Defect Repair, Assembling and Disassembling Metal Structures, Custom Metal Fabrication, Heat Treatment and Stress Relieving, Repairing Damaged Metal Parts.

Blueprint Reading and Interpretation: Reading and Interpreting Blueprints and Welding Diagrams, Understanding Welding Symbols, Following Detailed Technical Drawings and Schematics, Layout and Measurement Precision.

Safety and Compliance: Welding Safety Procedures, Knowledge of Safety Standards, PPE (Personal Protective Equipment) Use, Fire Prevention and Hazardous Material Handling

EXPERIENCE

AZFEN, Baku — *Pipe Fitter* 2015 - PRESENT

- Work for **Shah Deniz 2 Gas** and **Azeri Central East** Platforms
- Install, assemble, and secure piping systems.
- Measure, cut, thread, and fabricate pipes based on blueprints.
- Testing pipeline safety with Hydrostatic Pressure
- Collaborate with other trades and work teams to complete projects efficiently.

AZENCO, Baku — *Fitter* 2011 - 2015

- Read and interpret blueprints and technical drawings for welding projects.
- Cut, shape, and fit metal components based on specifications.
- Perform various welding techniques to assemble metal structures.

AZERSU, Baku — *Fitter* 2009 - 2011

- Assembly of fire lines for **Park Bulvar Mall**.
- Inspect and ensure weld quality through visual checks and measurements.
- Adhere to safety protocols and maintain welding equipment.
- Collaborate with other team members to ensure project success.

Machine-Building Plant named after Y. Gasimov, Baku — *Fitter* 2008 - 2009

- Metal structure assembly for the **Sangachal Brick Factory**.
- Handling and moving heavy materials safely.
- We are Ensuring structural alignment and leveling.
- Fitting pipes and vessels, if applicable.

EDUCATION

School No-229, Baku — *High School* September 1995 - May 2006

Baku Oil-Energy College, Baku September 2024 - expected graduation 2026

AWARDS

- **International Bolting** Certificate
- **First Aid** Training
- **Fire Fighting** Training
- **Naval** Training (*having a naval passport*)
- **Hydrostatic Pressure Testing** Training
- Having a driver's license for truck driving
