## ABOUT ME

*I love to work as a professional. I enjoy working in an active environment where the possibility of learning new skills is welcome and available. Also, i'm interested in travelling and social activities in different places where i can share my experience and knowledge with people. I would like to build a career in an organization that encourages continuous education and development.*

## DIGITAL SKILLS

### My Digital Skills

Microsoft Office | Social Media | Astrology | Skype | Good listener and communicator | Organizational and planning skills

## HOBBIES AND INTERESTS

### Art

*As much as I study in fields that require math and logic, I love my creative side. I think that every person should have it. It also helps me come up with creative ideas at work and in a team environment...I de-stress while painting, which makes me more efficient. I love colors and painting.*

## **Astrology**

*My second hobby is astrology. It's true that I don't live with my life with astrology. But sometimes I get inspired. Moreover, I find it interesting because it is a very mysterious and ancient symbolic science.*
