PROFILE

A final-year Economics student with exceptional English proficiency and hands-on experience in management roles. I have a strong foundation in Agile methodologies, particularly in Scrum Master and Product Owner practices, complemented by solid project management expertise. With a results-driven mindset and a collaborative approach, I am committed to delivering value and fostering success in fast-paced, dynamic environments.

WORK EXPERIENCE

Kindergarten Baku 2017-2025
Manager & Specialist

Ministry of economics 2017
