 - ✓ "Tech Academy" Certificate - link : bit.ly/3dbMzXN
 - ✓ Instruction ranking:
 - + What I learned:HTML5,CSS3,Bootstrap4,JavaScript(ES5),Jquery.(ext. Wordpress)
 - + What will i learn: AngularJs,ReactJs,NodeJs,Python,SQL and more forever....

COMMUNICATION

I am someone who loves to work in the team. I do everything to improve myself.If I set a goal, I work for it all day. I love code writing.My potential is very good.I work hard to improve both my English and my Developer profession with the opportunities I have.Since I have few financial resources,I do not go to a course at all.

The best course is the internet and the best teacher is the self-improving person!

SKILLS

- ✓ Just one of the things I do – link: bit.ly/2KWssAL
- ✓ Wep Design,
