SUMMARY

From a young age, I've been captivated by engineering and technology, leading me to pursue data engineering. As a Computer Engineering student at Khazar University, I'm building my skills in Python and SQL, supplemented by DataCamp courses. My goal is to master data engineering and contribute to innovative projects in the field.

EXPERIENCE

Junior Data Engineer

VABISS

Starting data engineer career as a junior at VABISS.

08/2024 - 09/2024

Data Engineer

VABISS

Building real-world projects with team collaboration.
