- Rapid prototyping - Graphic design - Branding&Identity - Storyboarding - Design researching

tools

- Illustrator - XD - Photoshop - Sketch - Indesign - Figma - Invision - Zeplin - Dimension

- Principle

experience/projects

Crambone IL

I worked as graphic designer for "Balta" series and for some of "the half" music band's song visuals.

Shop.az

I worked as UX/UI designer at shop.az for almost a year. Because of it's one of leading local e-commerse websites

I think this experience was important for me.

Smartpoint

Designed a logo and whole brand identity for a company that builds smart houses.

education

2018 november 2019 March		**Code Academy** Graphic and Web design
2018 september present		**Azerbaijan State University of Economics** Accounting & Audit
