## WORK EXPERIENCE + PROJECTS

### PABLO - BROCHURE DESIGN

This is a task I was working on during the course. A brochure is featuring Pablo Escobar's entire life was reduced. Searches are all about the content of text and images. The Grid was created appropriate for brochure. The programs which are called Adobe Indesign and Adobe Photoshop are used for preparing this project.

### CROSSROAD HOTEL - MINI BRANDING

This project which was designed for the Crossroad Hotel when I was studing at the Code Academy. The logo, corporate style, brandbook and printed products exist for the hotel.

### BUZLU - MINERAL WATER

It is a brand that I developed as a final assignment at Code Academy. I have designed logo, branding, corporate style, advertising products, packaging, web and phone application designs for this brand. I graduated with superior diploma from Code Academy with the design I submitted.
